

NITE KONG COCKTAIL LIST

CAMPARI

The night is alive.

The city comes to life as the sun sets
and the stars come out to play.
It is the time for the vivacious, the bold, the daring,
the nightlife enthusiasts.

It is a tale of wonder, of excitement and passion.
Mother of wonders and dreams, gentle repair from curious eyes.

This is our celebration to our favorite part of the 24hours,
an homage to elegance and romance, a gentle reminder that
the real good things are for the few who can recognize them.

The nite is where the future is dreamt
and new love is born,
one more time.
